## Meet our Circulation Clerk Ashley Martin!

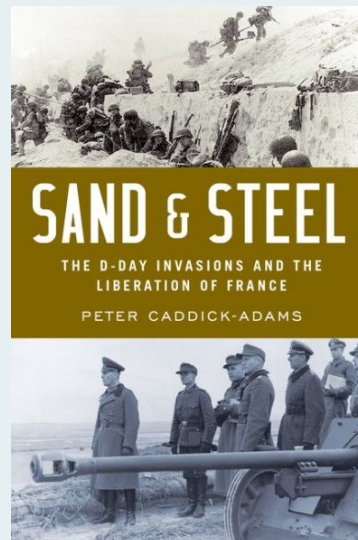

Hello, my name is Ashley Martin. Last year I graduated from Augustana College with degrees in Asian Studies and Art History. My hope for the future is to get my masters degree in Museum Studies and go into either the field of education or art restoration. Museums and libraries have always been the places that make me feel at home, continuing to give me a passion to learn and to help others learn, too. Some other things I'm really passionate about are theater, ceramics, anime, playing the flute, writing, and learning more about other cultures. I traveled to Greece to study abroad and one of my favorite parts of the trip was visiting the Crete Aquarium because I got to see huge sharks, which are my favorite animal. The best book series I've ever read is *Den of Shadows* by Amelia Atwater-Rhodes. I look forward to seeing you at the library!
