Reference and Reader's Advisory Policy

Reference and readers' advisory service is an important function of the Silvis Public Library. The following policy is designed to ensure that all patrons receive the highest possible level of this service.

Goal

Provide accurate answers to Library patrons' questions by trained staff members during all hours that the Library is open. This is accomplished by:

- Providing materials and services to meet users' needs for timely, accurate, and useful information.
- Providing trained staff to assist patrons and facilitate access to the Library's collections and cooperative resources.
- Assisting patrons in the use of reference resources, Library materials and in the development of research strategies.
- Providing readers' advisory service.
- Providing efficient referral and effective follow through including interlibrary loan, resource sharing and supplementary reference services to Silvis Public Library cardholders.
- Keeping the community well informed about the reference services and resources that are available and encourage their use.

Ethics and Standards

The informational needs of every library patron will always be taken seriously and facilitated with objectivity, respect, and confidentiality. Staff does not discriminate based on age, gender, race, sexual preference, disability, or appearance in providing reference services.

Providing advice and suggestions for recreational reading is an essential service in a public library. Each patron's reading tastes will be taken seriously and without judgement, however, when performing Readers' Advisory services, personal interpretation and recommendation are unavoidable.

Service is provided in a manner consistent with the Library Bill of Rights, the American Library Association Code of Ethics, and copyright law.

Availability of Service

The Silvis Public Library provides reference and readers' advisory assistance to any patron requesting it, regardless of residency. Reference and readers' advisory service is provided by trained staff during all hours that the Library is open. The entire collection -- juvenile and adult, circulating and noncirculating -- is available to patrons of all ages.

Inquiries are accepted in person, by telephone, digitally, and through the mail. Priority is given to in-person Requests; however, staff will complete a telephone question and/or Instant Message that is already in progress before attending to an in-person request. Answering questions has priority over other staff assignments.

If information appropriate to the patron's need is not available in the Library, referral will be made to local or regional resources, interlibrary loan, and/or other libraries. Staff will verify that the needed information is available from the source referral.

Whenever possible, answers to questions will be provided during the patron's visit or telephone call. When other patrons are waiting, staff may have to limit the initial amount of time spent serving an individual patron but follow-up attention will be given.

Staff will attempt to answer a patron's question within the patron's required deadline. Otherwise, questions usually will be answered, referred, or a status report given within 24 hours. A longer response time will be negotiated with the patron when staff needs additional time to locate the needed information.

Providing Service

Staff will use all available sources of information to answer questions. This includes, but is not limited to books, periodicals, electronic databases, the Internet, government agencies, associations, and organizations. Staff member's personal opinion will never be given as fact. While a staff member will provide sources of information, information will not be interpreted and the staff member will not offer legal, medical, or tax advice.

Staff will guide people doing extensive research or compiling large amounts of information to appropriate sources. Reading and interpretation of materials is the patron's responsibility.

Limitations

Information, particularly in the subject areas of law, medicine, consumer information, religion, politics, and personal finance/tax information, is presented without interpretation, advice, analysis, or personal recommendation.

Staff will not engage in conversation or debate of a personal nature, including but not limited to religious or political beliefs, or their personal lives.

Staff set reasonable limits on the amount of time and level of response given to patron requests for information in order to ensure equal and fair access to reference services for all patrons.

Patrons must comply with the Library's Code of Conduct Policy when engaging in reference services. Staff does not provide editorial, typing, tutoring, or translation services.

The following services are restricted to Silvis Public Library cardholders only:

- Remote access to paid databases or subscription services.
- Museum or Zoo passes.

Most other services are available to non-card holders. Available services are subject to change.
